

# Performance Excellence for Health Care

**I'm Not a Real Doctor  
— Nor Do I Play  
One on TV...**

**But I Do Help  
Health Care Providers  
Become Better!**

“People are still talking about your fantastic presentation! You could not have come at a better time. The way you held everyone’s attention was stunning. The information you shared was a great benefit to our staff.”

—Jairo Ramirez, R.Rh., Pharmacy Administrator, Event Coordinator, Kaiser Permanente, CO

“Darin Green was awesome! His advice was very useful. The best speaker we’ve heard in a long time. (One of our staff said she laughed off all of her makeup.)

—Shannon Mayer, HR Manager, Special Event Planner, Blue Cross Blue Shield, MN

“Darin Green is an exceptional speaker! We were all very moved by his message and wonderful sense of humor. He re-energized us all and gave us new appreciation for what we do and those we serve!”

—Judith Forshee, Director of Education, Mississippi Hospital Association

## **Darin’s programs are ideal for health care providers:**

- ▶ Become a Champion at What You Do  
(Unleash workplace excellence)
- ▶ When Change Happens, Winners Adjust  
(Change management)
- ▶ Lead Yourself to Leadership Greatness

- ▶ Balance Your Way to Excellence (Getting mentally, physically fit to achieve performance excellence)
- ▶ Stay In It (Renewed, recommitted to excellence. Overcoming set backs and adversity)
